

Report Medicaid Fraud

Medicaid fraud costs taxpayers millions of dollars!

Medicaid Fraud is:

- *Misuse of Medicaid funds (equipment/supplies/services)
 - *Making a fraudulent claim for Medicaid payment
 - *Theft of Agency funds/equipment/supplies
- *Falsifying any documentation regarding services or billing
 - *Theft of consumer funds and property
 - *Forges documentation
- *Billing more than once for the same service
- *Providing unnecessary services

Or:

- *Lying about eligibility or diagnosis
- *Using someone else's Medicaid number to receive services
- *health care providers falsely charge for missed appointments, medical test or services

If you suspect fraud or abuse of Medicaid, call:
